Deborah E. Swain, PhD.

Papers and Presentations

Recent Papers and Presentations

- (Poster presentation) *Eagles EHealth Project for Campus and Community* at MAC MLA (MidAtlantic Conference of Medical Library Association) October 13-16, 2010 in Chapel Hill, NC.

- (Paper) Co-Author at ALISE and ALA Mid Winter in Boston (January 2010) with Dr. Peterson

- (Poster Presentation) ASIS&T in Vancouver, 2009.

- (Conference Presentation) Swain, Deborah (1st author), Peterson, Gabriel, Brinson, Derek, Fisher, Jamaal. "Introducing National Library of Medicine E-Health Tools to Communities," for i-Schools i-Conference 2009, Chapel Hill , NC, February 8-11, 2009.

- (Invited Speaker) Swain, D. *Preparing Health Information Professionals for Knowledge Management*. International Conference for Knowledge Management (ICKM), Columbus, OH, October 2008.

- Conference Presentations) Swain, D. (2008). The American Society for Information Science and Technology (ASIST) Annual Meeting, October 24-29, Columbus, Ohio:
    - Paper on "Issues in the Transformation of Health and Medical Information."
    - Second Annual Social Networking Workshop on "Speed Meeting: Special KM Session to Introduce Attendees to Each Other in Person and via Web Cast."
    - Moderator for refereed paper presentations: "Trends of Schools and the Fields."

- (Conference Presentation) Swain, D. (2008). North Carolina Healthcare Information and Communications Alliance (NCHICA) Conference, September 7-10, 2008, Greensboro, NC, "Issues Related to Adoption of Information Technology by NC African-American Physicians."

- (Refereed National Call for Proposals, 20 out of 165 selected) RESEARCH TOPICS - *Disseminating National Library of Medicine Knowledge into Communities: Fighting Health Disparities*. American Library Association (ALA) Annual Conference, Anaheim, CA, July 1, 2008.

- (Conference Presentation) Romocki, L. and Swain, D. (2008). *Eagles E-Health Project*, National E-Health Conference, Bethesda, MD, June 9-11, 2008.

- (Attended) National Health IT Week, Washington, DC, June 9-13. Sponsored by Healthcare Information Management and Systems Society (HIMSS), American Hospital Association, Association of Medical Directors of Information Systems.

- (Conference Presentations) Swain, D. (2007). The American Society for Information Science and Technology (ASIST) Annual Meeting, October 19-24, Milwaukee, WI:
    - Paper on "Introducing a Statewide Public Health Community to Social Computing and Knowledge Sharing" as part of panel on *Problems with the Distribution of Health and Medical Information.*
    - Panel moderator for *Traditional and Non-Traditional Knowledge Management in Research and Practice* and for Recent Research on *Digital Libraries.*
    - Social Networking Workshop on "Speed Meeting: How to Meet People at Conference and through a Podcast."

- (Conference Presentation) Swain, D. (2007). North Carolina Library Association (NCLA) Conference, October 16-19, 2007, Hickory, NC, "A Web Based Reference Desk for Science and Math Learning Tools."

- (Conference Presentation) Swain, D. (2007). North Carolina Healthcare Information and Communications Alliance (NCHICA) Conference, September 23-26, 2007, Asheville, NC, "A Health Informatics Forum on a Community of Practice (CoP)."

- (Conference Presentations) Swain, D. (2006). The American Society for Information Science and Technology (ASIST) Annual Meeting, November 3-9, 2006, Austin, TX:
    - Paper on "The Use of Blogs to Improve Medication Error Collection" as part of session: *Virtual Communities and Social Networks: The Impact of Blogs and Online Community on Social Engagement*
    - Workshop (Instructor) on "Blogs and Wikis: How They Can Improve Conference Communications."
    - Moderator

- (Conference Presentation) Swain, D. (2006). The International Conference for Knowledge Management (ICKM) on August 1, 2006, London, England, "Small Study: Can Blogging Be Used to Improve Medication Error Collection as Part of Health Informatics Knowledge Management?"

- (Conference Presentation) Swain, D. (2006). Joint Conference on Digital Libraries (JCDL), June 11-15, 2006, Chapel Hill, NC, "Usable Classification of Education Materials for the Computational Science Education Reference Desk."

Early Presentations in Communications and Indexing

- "Tracking Multi-Site, Integrated Projects through a Web-Based Checklist," Lucent Technologies/Bell Labs Software Symposium, April 11-14, 2000 (Paper)

- "Information Search Process Model: How Freshmen Begin Research," American Society for Information Science (ASIS) Annual Conference Proceedings, October 19-24, 1996 (Refereed Conference Paper)

- "Evolving Index Styles: from Books to Online Help," American Society of Indexers (ASI) Conference, San Diego, CA, May, 1994 (Refereed Conference Paper)

- "Indexing Standards and Usability Testing," International Communication Conference (ITCC), Dallas, TX, May, 1993 (Refereed Conference Paper and Workshop)

- "Indexing Standards and Guidelines," University of NC at Chapel Hill, SILS guest lecture, 1993 (Presentation)

- "Developing Electronic Library Resources," International Communication Conference (ITCC), Atlanta, GA, May, 1992 (Refereed Conference Paper)

- "Cognitive Science: Human and Machine Connections," International Communication Conference (ITCC), New York, NY, April, 1991 (Refereed Conference Paper)

- "Knowledge Engineering and the Language of Expert Systems," NC Writers' Network Conference, Raleigh, NC, November, 1990 (Refereed Conference Paper and Workshop)

- "Technical Translation for Multiple-Language Support," Professional Communication Conference of IEEE, New York, NY, October, 1989 (Refereed Conference Paper)

- "The International Language of Knowledge-Based Systems," Professional Communication Conference of IEEE, Seattle, WA, October, 1988 (Refereed Conference Paper and Workshop)

- "Knowledge-Based Systems Strategy," IBM Information Planning Seminar, New York, 1987 (Distance-Learning Broadcast and Videotape for Training)

- "Promoting Good Indexing," International Communication Conference (ITCC), Denver, CO, May, 1987 (Refereed Conference Paper and Workshop)
